Please could you practice these throughout the week. You can do this either through logging online to Emile or practice them in any other way that you would like. If you log onto Emile for the spellings, you just need to copy the correct code in to practice that. This could be done via the app or on through an internet browser. We would suggest that as the first activity of each

week you undertake the 'Learn' game. Following this choose whichever style of practice you prefer. Battles are scheduled in every 3 weeks where we will test back over the prior 6 weeks worth of spelling patterns.
